<b>Total</b>		<b>\$90.00</b>

### Membership Agreement

# Membership Agreement

2014-15 Season

Please be sure to read over all of the details and ask questions to be sure you are committed before joining, and discuss it with your family too. It will require a whole family commitment because sometimes you just might not want to eat your kale and you'll need to support each other. Thanks for your understanding. When you submit your registration form, you agree to the following:

- All members will receive shares (veggies, fruit, meat, staples, flowers) at the weekly pick up locations for 50 weeks from March 31, 2014 to March 28, 2015.
  - If you cannot make a pick up, you are welcome to send someone else in your place. Otherwise, your share will be donated to a local food program.
  - Occasionally we supplement our offering with items from other local producers whose farming practices match our values.
- Please refer to the welcome email you received upon signing up for shares to see when your payments are due.
- Online payments are NOT automatic and so you need to log in each month to make the payment.
  - Statements will be sent out to all members with money owing on their accounts on a monthly basis.
- If you change your mind and you don't like being a part of the CSA or if it just isn't working for your family there are a few options.
  - 1) Ask a friend, coworker, or family member if they are interested in taking it over
  - 2) Consider donating it to a family in need
  - 3) As a last resort: Ask us for a refund. We will provide you a full refund up until September.
- By September we have planted, weeded, and in some cases harvested and are beginning to store crops for you, so if you pull out past September it is very costly for us. As we share the season and the realities with you, your commitment is critical to our ability to carry on into the next year.
- All members share the ups and downs of the season.
- A \$10.00 admin fee is charged once per member, per season to help cover the costs of administering the CSA program.

Thank you for your commitment to XNAME Farms! We look forward to a wonderful season sharing food together.
